COLLEGE TEN

SOCIAL JUSTICE & COMMUNITY

LEADERSHIP

JOURNAL

One of the primary goals of College Ten is to help our students actively engage in the college community & build leadership skills that reflect our theme of social justice & community. We encourage you to take on leadership roles at the college and progress through various college programs.

To formally recognize your leadership contributions and experiences, the Social Justice & Community Leadership Certificate is presented upon your graduation. This is a tangible honor that can be highlighted in employment and graduate school applications.
