**What is the CoCo?**

The College Nine & College Ten CoCurricular Programs Office (The CoCo) provides learning opportunities that explore International & Global Perspectives and Social Justice & Community both inside and outside the classroom.

**What does the CoCo offer?**

The CoCo implements a range of events, groups, retreats and classes. For more information on specific programs, please see the inside of this brochure.

We also offer hands-on opportunities for learning and taking action, button-making, letter-writing, collaborative art projects, message walls and other chances to participate in the community.

**How do I get involved?**

The CoCo offers a variety of ways to get involved, including groups, classes, events, staff and volunteer positions. Check out the inside of this brochure, stop by the CoCo (SSI Room 103), or email wbaxter@ucsc.edu for more info!

**Why get involved?**

Find community! Through participating in what the CoCo has to offer, you will explore the theme of your college, develop your leadership, organizational and analytical skills, and build community relationships. Learn, contribute, grow and teach.
