Early Group Selection

Tuesday, May 22nd

Applicants wanting to select a **full apartment** or a **block of residence hall rooms** can reserve a space early and bypass the online Room Selection process by participating in Early Group Selection.

By Friday, May 4th 5PM your group must submit a declaration form to the College Nine and College Ten Housing Office.

Tuesday, May 15th, groups will be notified if they are invited to select during Early Group Selection or if they will participate in online Room Selection.

What's the difference between an Apartment Group & a Res Hall Neighborhood Group?

- Res Hall Group = A **minimum of 3 applicants for 2 or more rooms** in a Res Hall (Max group of 20)

↗ Example: 3 applicants for 3 singles OR 4 applicants for 1 single & 1 triple

- An Apartment group = a **complete** group to fill an entire apartment (4, 5, 6, or 7 people)

**No partial groups are eligible to apply for Early Group Selection*

How are groups selected to be invited?

- Groups will be selected based on the cumulative priority points of their entire group.
- Each applicant **MUST** be eligible and guaranteed for housing and apply during Priority Housing Application Period.
- Each group **MUST** submit a **Declaration Form to the College Nine & College Ten Housing Office by Friday, May 4th 5pm.**
- Failure of just one member to meet these requirements can disqualify the whole group!
- For Apartment groups, all members must have applied to the same college!
- **On Tuesday, May 15th**, groups will be notified via email from the College Nine and College Ten Housing Office if they are invited to Early Group Selection, and receive an appointment time. At the appointment, groups will select their apartments/rooms and be assigned on the spot by the Housing Coordinator!

Early Group Selection

Tuesday, May

22nd

- Each appointment lasts **only** about 5 minutes for Apartment groups, slightly longer for Res Hall groups, depending on the group size.
- Come prepared with different options for your group if your first choice is unavailable! During the appointment time, groups will choose their Apartment or Res Hall spaces.
- If you or other group members are unable to attend during your appointed time, you can designate someone to serve as a Proxy on your Apartment or Res Hall Neighborhood Group form. **Group members please make sure you report to your Proxy all your preferences to avoid being placed in a room you do not prefer.** If no one from your group can attend, then a separate Proxy can be designated, but you must notify the Housing Coordinator prior to your appointment for approval.

Online Community Room Selection

Wednesday, May 23rd – Thursday, May 24th

An opportunity for eligible students to select a space at their applied-for-community either individually or as part of group through the online room selection process. Pick a housing space in the Residence Halls or in the Apartments, online with your access code and appointment time that will be emailed to you by the Campus Housing Office.

Community Room Selection

May 23rd - 24th

On **Thursday, May 17th**, all students who submitted an application during the priority period will receive an **Online Room Selection Invitation Email** at their UCSC email address from **Student Housing Services**.

The email will contain an **access code** and **appointment time** to log in to **studenthousing.ucsc.edu** and select your housing!

Note: *Students who have selected a space during Early Group Selection do not participate in the online process.*

Community Room Selection

May 16th - 17th

Important Tips:

- You may select a space **individually or as part of a group**.
- Remember, only eligible, guaranteed students can participate
- **If you are part of a group, determine who has the earliest appointment** time and allow that person to log in to select housing for the group.
- Once you've identified your group leader, you will need to share your access code with them. By doing so, you authorize your friend to assign you into a housing space!

Gender and Room Assignments

- A student's gender plays a role in determining their room and roommate(s) assignment. In most cases, students are assigned roommates of the same gender. For example:
- Female (F) students with other female-identified students
- Male (M) students with other male-identified students
- Unspecified (U) students with other unspecified students.
- Students may view and update their gender information through MyUCSC (my.ucsc.edu).
- Housing Coordinators have the ability to assign students of different genders, however, continuing students participating in online room selection cannot override this assignment practice.
- Students are encouraged to contact their Housing Coordinator prior to room selection if an override is needed.

For more information, visit: housing.ucsc.edu/gender

Community Room Selection

May 23rd - 24th

- **Make plans! Talk to your group ahead of time about what types of rooms each person is willing to accept** and who will share a room with whom. Having a plan – *and back-up plans* – will make the selection process easier for your group.
- **Partial groups are allowed**, so you can select spaces in an apartment/room even if your group won't completely fill the space. Just remember, if there are unassigned spaces in your apartment/room, they will be filled by other students during room selection or by the Housing Staff at your community.

**What happens if I was unable
to select a room during Room
Selection Week?**

Community Staff Assign Wait List Students

- While most students will select their own housing through the room selection process, those who don't, will need to be assigned housing by their Housing Coordinator.
- **Your active application represents your interest** and you will be assigned housing as soon as a space matching your preference(s) becomes available. – this can happen with or without advanced notice and will be based on the preference you list on your housing application. If a space matching your preference(s) is not available, **your Housing Coordinator may offer you an alternative.**
- Each community maintains a **guaranteed** and **non-guaranteed waitlist**. Students on the guaranteed waiting list have priority for placement.
- If you **fail to respond** to an offer of housing or you **opt to wait** for one of your preferred spaces, you will be **moved to the non-guaranteed waitlist.**
- There will not be sufficient housing inventory for all non-guaranteed students.
- **IMPORTANT NOTE: If you no longer want University Housing you must cancel your application through studenthousing.ucsc.edu immediately and notify your Housing Coordinator! If you are placed and then want to cancel your housing, a cancellation fee will be assessed (from \$150 - \$350)**

Community Staff Assign Wait List Students

Some things to keep in mind while you await an assignment:

- **Your guarantee ensures a space** in university housing. We are committed to providing a space to all guaranteed students.
- **Be patient and flexible** – you may not be assigned until late in the summer.
- **We will work with you** to find you an available space either at your applied-for-community or elsewhere on campus.
- A confirmation email will be sent to your UCSC email address when you have been assigned housing.
- **Contact your Housing Coordinator if you would like to update** the room preferences listed in your housing application.
- **Keep your contact information up-to-date** (cell phone, permanent phone) in the Student Portal. **Check your UCSC email frequently for communications from the Housing Coordinator! We may need to contact you regarding your placement.**

Important Reminders

Important Reminders

- Once you are assigned housing, your housing application becomes a **legally binding contract** that is valid for the entire 2018 - 2019 academic year. Read your contract! (available online at housing.ucsc.edu)
- If you want to update your application after the Priority Housing Application Period ends – **DON'T DELETE YOUR APPLICATION AND REAPPLY!** This will negate your priority status and make you ineligible for Room Selection.

Important Reminders

Cancellation Policy BEFORE Fall quarter starts:

- It is **your responsibility** to cancel your application/contract (studenthousing.ucsc.edu) if you are no longer interested in housing.
- There is **no fee for cancelling if you have not been assigned to a space yet** (wait list application).
- When a **confirmed contract/reserved housing space** is cancelled you will be billed according to the following schedule.

Cancellation Date	Cancellation Fee
On or before July 1	\$150.00
July 2 through August 1	\$250.00
After August 1	\$350.00
